# 70 & 80 xtra

The Inca 70, 80 xtra Photopolymer Processors are market proven medium-to-high throughput machines with the precision engineering, robustness and durability associated with all Heights processors. Delivering an impressive throughput of 500m<sup>2</sup> per week the Inca incorporates extensive features within an extremely compact footprint.

advanced processing  
**inca**

Designed with ease of operation and maintenance in mind, the revolutionary counter balanced lid provides comprehensive access to the individual sections of the processor tank. Extending this innovative approach, quick release side panels allow easy access to the plumbing, control and drive systems.

This Inca provides the solution for those customers requiring high quality throughput online or offline photopolymer CTP processing applications and is compatible with all photopolymer plates on the market.

## advanced processing inca 70

Maximum Plate Width  
680mm (26.7")

Finisher Tank  
2.9L (0.77 US Gal)

Minimum Plate Length  
254mm (10.0")

Plate Input Height  
775 - 1055mm (30.51 - 41.5")

Plate Thickness  
0.15 - 0.30mm (0.006 - 0.012")

Dimension (L x W x H)  
1628 x 1095 x 960-1240mm  
(64.1 x 43.1 x 37.8 - 48.8")

Plate Transport Speed  
500 - 2000mm/min  
(19.68 to 78.7")  
@ 10 to 40 sec Dip to Nip

Machine Net Weight  
450 kg (1000lbs)

Pre-Wash Tank Capacity  
19.4L (5.13 US Gal)

Recommended Room Temp.  
18 to 29°C (64.4 to 84.4°F)

Developer Tank Capacity  
23.6L (6.23 US Gal)

Noise  
Less than 60 dB(A)

Rinse Tank Capacity  
19.8L (5.23 US Gal)

Avg. Weekly Recommended  
Throughput Up  
to 500m<sup>2</sup> (5382 ft<sup>2</sup>)

### Features

- Robust elegant design
- Colour coded wet system
- Energy and water saving features
- Developer replenishment by plate area
- Sophisticated anti-ox system
- Easy access for maintenance
- Remote diagnostics
- Platesetter interface options
- Bulk fill system
- Chiller system

Electrical Supply  
220-240V 1 Ph + N + PE 28A /Ph - 50/60Hz  
220-240V 2W + GND 28A /Ph - 60Hz  
380-415V 3 Ph + N + PE 16A/Ph - 50/60Hz
